The Director of Central Intelligence
Washington, D.C. 20505

National Intelligence Council

3 December 1984

MEMORANDUM FOR: Director of Personnel

FROM : Robert M. Gates
Chairman, National Intelligence Council

SUBJECT : Change in Grade for SIS Positions on the
National Intelligence Council

1. The NIC has recently had two new National Intelligence Officers (NIOs) assigned without an appropriate position to place them in. In each case we have utilized an SIS 00 position located in another area of our staffing complement to accommodate the NIO. I am referring to the NIO for Science and Technology (position no. AB094) and the NIO for Warning (position no. DD034). In order to equate these with other NIO positions within the NIC, request these positions be upgraded from SIS 00 to SIS 04.

2. Simultaneously, I would like to request that the position for the NIO for Economics (position no. AB088) be changed from a SIS 05 to a SIS 04. This position is currently overgraded.
